

ALI RAZA KHAN

UNREAL ENGINE DEVELOPER

[khanology101.github.io](https://github.com/khanology101) | <https://www.linkedin.com/in/ali-raza-khan-25477a202/> | +92 324 4371444

Unreal Engine Developer skilled in C++, Blueprints, and Python with experience in building gameplay systems, AI behavior trees, and combat mechanics. Proficient with Visual Studio Code, Unreal Editor, and animation blueprints. Experienced in developing interactive games and physics-based features.

AREA OF EXPERTISE

Gameplay Programming
AI Development

Combat System
Game UI/UX Design

Code Quality & Optimization
Animation & Physics

PROFESSIONAL EXPERIENCE

Game Development Intern (Unity) - M-Labs

Jun 2024 - Sep 2024

- Developed Mercy or Justice, a choice-based visual novel in Unity.
- Created custom UI animations for dialogue boxes, menu, and sound settings.
- Designed data holders for managing game elements like speakers, scenes, and choices.

ACADEMIC PROJECTS

Flexible Combat System (Unreal Engine)

- Developed dynamic interactions between characters and weapons using interfaces, and organized attack states with structs and enums for scalability.
- Modularized combat with ActorComponents and used event dispatchers for responsive in-game events.
- Optimized weapon initialization and performance with reusable code, macros, and construction scripts.

Souls-Like Project (Unreal Engine)

- Developed a smooth lock-on system with adaptive camera transitions and dynamic enemy retargeting.
- Designed enemy and boss AI using behavior trees, enabling chase and attack with adaptive decision-making.
- Built player, enemy, and boss health bars, lock-on indicators, and status UI.

EDUCATION

Bachelor in Computer Science

2021 - 2025

Lahore Garrison University (LGU)

- FYP - DeepFake Detection System

Intermediate in Computer Science

2018 - 2020

Forman Christian College (FCCU)

- Relevant coursework in Physics, Math, Computer Science

CERTIFICATIONS

- Rookie Game Jam Summer Program 2024 - **M-Labs**
- Develop, Customize, and Publish in Omniverse With Extensions - **NVIDIA**
- Web Development - **Lahore University of Management and Sciences (LUMS)**
